Proposal: First floor side extension

Location: 40 Woodhill Fold, Bury, BL8 1UY

Description

The application relates to a two storey red brick semi-detached house on an open plan residential cul-de-sac of similar styled properties. Driveway to the side.

The proposal involves adding a two storey side extension, adjacent to the shared side boundary with No.38 Woodhill. No.38 has a gable facing the site with an obscure glazed stairwell window. The extension would run from front to rear and include an undercroft parking area with the existing WC on the ground floor and additional bedroom space on the first floor. The extension would be in brick and tile to match the existing house with the roof carried over onto the existing roof. The parking area for two cars would remain as existing with no change to the access.

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF), the adopted Places for Everyone Joint Development Plan Document (PfE) and the saved policies within the adopted Bury Unitary Development Plan (UDP), together with other relevant material planning considerations.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP and PfE Policies will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual amenity - In design terms the extension would be in keeping with the existing property and would not appear incongruous within the streetscape. The house is set forward from the unattached neighbour at No.38 and as such there is no issues with terracing. Finishing materials would match the existing house. In terms of visual amenity, the proposal is acceptable and complies with UDP Policy H2/3 and guidance in SPD6.

Residential amenity - Given the unattached neighbour at No.38 Woodhill does not have any habitable room windows in the gable and with a shed on the shared boundary, the amenity of this neighbour is unaffected. No objections received from neighbours and in terms of residential amenity, the proposal is acceptable and complies with UDP Policy H2/3 and guidance in SPD6 Alterations and Extensions.

Parking and Access - Due to the undercroft, the parking space for two cars within the site remains as existing, as does the access onto Woodhill Fold. This is acceptable in terms of parking and complies with UDP Policy H2/3 and guidance in SPD6 Alterations and Extensions.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 2796_BUR_01 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 The external finishing materials for the proposal hereby approved shall match those of the existing building.
Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy EN1/2 - Townscape and Built Design of Bury Unitary Development Plan.
