Extract from email:

My view is that the proposed fence as indicated on drawing ref. 24/118/01P Rev.H would benefit from permitted development and would not therefore require planning permission, as it would not be considered to be adjacent to the highway

NOTE: The short section between H – J, whilst it may be considered to be adjacent to the highway (given the limited set-back), would essentially be replacing a fence of the same height at the same position (and so would be considered to be permitted development as it would be replacing an existing fence).

It would be within your gift to apply for a Certificate of Lawfulness to formalise the position, but this would obviously incur expense and delay.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
