In terms of the street scene then the proposal is much improved with the pillars and reduced height fencing.

Highways have confirmed they are fine with it subject to :-

- a 2.4m visibility splay being plotted from the centre of the new access to the corner of the building with no obstructions above the height of 0.6m within it;
- the remedial works to the wall at the side of the property within the splay and footway being able to be conditioned in due course;
- the low wall reintroduced at the front to control the new dropped crossing position (which can also be conditioned).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
