PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The application and submitted plans do not accurately show the proposed rear elevation of the dwelling or the proposed front elevation of the dwelling. The application and submitted plans contain insufficient information to enable them to be properly assessed in terms of visual amenity and are therefore conflicts with Unitary Development Plan Policy H2/3 Alterations and Extensions and associated Supplementary Planning Document 6: Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority offered solutions to the applicant in order to make the development acceptable. The applicant was however unwilling to amend the plans. Without these amendments the development would not improve the economic, social and environmental conditions of the area and therefore does not comprise sustainable development. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3 H2/3 - Extensions and Alterations
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential

Properties.

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
