PART 1 - Particulars of Application

Application Number: 69619

Date of Registration: 19/05/2023

Proposal:

First floor extension at side and single storey
extension at side/rear; Front porch

Location:

76 Highfield Road, Prestwich, Manchester,
M25 3AQ

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The position of the proposed first-floor extension, in relation to adjoining residential property(s), by reason of its height, size and position would result in a negative impact on residential amenity due to its close overbearing position an unacceptable reduction in the level of sunlight enjoyed by the occupiers of that adjoining property. The development is therefore contrary to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and associated Guidance Note 6 - Extensions and Alterations.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
H2/3 H2/3 - Extensions and Alterations

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
