PART 1 - Particulars of Application

Application Number: 66396

Date of Registration: 27/04/2021

Proposal:

Erection of 5 no. townhouse dwellings

Location:

Land to south of Deardens Street, Bury

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 002, 003, 010, 011, 020, 025, 20013 100 A, 20013 102 B, Calculations - 20013 0 SW Model (Rev A) and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 Details/Samples of the (materials/bricks) to be used in the external elevations, together with details of their manufacturer, type/colour and size, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Only the approved materials/bricks shall be used for the construction of the development.
Reason. No material samples have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to UDP Policy EN1/1 Visual Amenity.
- 4 No development shall commence unless and until:-
 - A contaminated land Preliminary Risk Assessment report to assess the actual/potential contamination and/or ground gas/landfill gas risks at the site shall

- be submitted to, and approved in writing by, the Local Planning Authority;
- Where actual/potential contamination and/or ground gas/landfill gas risks have been identified, detailed site investigation and suitable risk assessment shall be submitted to, and approved in writing by the Local Planning Authority;
- Where remediation/protection measures is/are required, a detailed Remediation Strategy shall be submitted to, and approved in writing by, the Local Planning Authority.

Reason. The scheme does not provide full details of the actual contamination and subsequent remediation, which is required to secure the satisfactory development of the site in terms of human health, controlled waters, ground gas and the wider environment and pursuant to National Planning Policy Framework Section 11 - Conserving and enhancing the natural environment.

- 5 Following the provisions of Condition 4 of this planning permission, where remediation is required, the approved Remediation Strategy must be carried out to the satisfaction of the Local Planning Authority within agreed timescales; and A Site Verification Report detailing the actions taken and conclusions at each stage of the remediation works, including substantiating evidence, shall be submitted to and approved in writing by the Local Planning Authority prior to the development being brought into use.

Reason. To secure the satisfactory development of the site in terms of human health, controlled waters and the wider environment and pursuant to National Planning Policy Framework Section 11 - Conserving and enhancing the natural environment.

- 6 A landscaping scheme to include all land within the red edge, shall be submitted to, and approved in writing by, the Local Planning Authority prior to the commencement of the development. It shall be implemented not later than 12 months from the date the building(s) is first occupied; and any trees or shrubs removed, dying or becoming severely damaged or becoming severely diseased within five years of planting shall be replaced by trees or shrubs of a similar size or species to those originally required to be planted to the written satisfaction of the Local Planning Authority.

Reason. To secure the satisfactory development of the site and in the interests of visual amenity pursuant to Policy EN1/2 - Townscape and Built Design and EN8/2 – Woodland and Tree Planting of the Bury Unitary Development Plan.

- 7 No development shall commence unless or until details of a scheme for the disposal of foul and surface water drainage have been submitted to and approved in writing by the Local Planning Authority. The proposed scheme must be based on the hierarchy of drainage options in the National Planning Practice Guidance and be designed in accordance with the Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015). This must include assessment of potential SuDs options for surface water drainage with appropriate calculations and test results to support the chosen solution. Details of the proposed maintenance arrangements must be provided. Only the approved scheme shall be implemented prior to occupation of the dwellings hereby approved.

Reason. No details of the drainage have been submitted and to ensure a satisfactory means of drainage pursuant to Policy EN7/5 - Waste Water Management of the Bury Unitary Development Plan.

- 8 Notwithstanding the terms of the Town and Country Planning (General Permitted Development) (England) Order 2015, as subsequently amended, no development shall be carried out within the terms of Classes A to G of Part 1 of Schedule 2 of the Order, without the submission and approval of a relevant planning application.

Reason. To enable the Local Planning Authority to assess the impact of such proposals on the stability of the canal feeder pipe minimising the risk of creating land instability arising from any adverse impacts from foundation construction,

earthmoving, excavations or other construction works associated with such development, in accordance with the advice and guidance on land stability contained in paragraphs 120-121 of the National Planning Policy Framework 2012 and in the National Planning Practice Guidance

- 9 Notwithstanding the details indicated on the approved plans, no development shall commence unless and until full details on a topographical survey base of the provision of a footway around the Deardens Street turning head and all associated remedial works at the interface with the existing adopted highway and the boundary of Unit 1 have been submitted to and approved in writing by the Local Planning Authority. The details subsequently approved shall be implemented prior to occupation of the development hereby approved.

Reason. To ensure good highway design and maintain the integrity of the adopted highway, in the interests of highway safety pursuant to the following Policies of the Bury Unitary Development Plan:

Policy H2/1 - The Form of New Residential Development

Policy H2/2 - The Layout of New Residential Development

Policy EN1/2 - Townscape and Built Design.

- 10 No development shall commence unless and until a 'Construction Traffic Management Plan' (CTMP), has been submitted to and agreed in writing with the Local Planning Authority and shall confirm/provide the following:

- Access route for construction traffic from the highway network;
- Hours of operation and number of vehicle movements;
- Arrangements for the turning and manoeuvring of vehicles within the curtilage of the site;
- Parking on site or on land within the applicant's control of operatives' and construction vehicles together with storage on site of construction materials.

The approved plan shall be adhered to throughout the construction period and the measures shall be retained and facilities used for the intended purpose for the duration of the construction period. The areas identified shall not be used for any other purposes other than the turning/parking of vehicles and storage of construction materials.

Reason. To mitigate the impact of the construction traffic generated by the proposed development on the adjacent residential streets and ensure adequate off street car parking provision and materials storage arrangements for the duration of the construction period, in the interests of highway safety pursuant to the following Policies of the Bury Unitary Development Plan:

Policy H2/1 - The Form of New Residential Development

Policy H2/2 - The Layout of New Residential Development

Policy EN1/2 - Townscape and Built Design.

- 11 Before the development is commenced, details shall be submitted to and approved by the Local Planning Authority to cover measures to ensure that all mud and other loose materials are not carried on the wheels and chassis of any vehicles leaving the site and measures to minimise dust nuisance caused by the operations. The approved details shall be implemented and maintained thereafter during the period of construction.

Reason. To ensure that the adopted highways are kept free of deposited material from the ground works operations pursuant to Policy H2/2 - The Layout of New Residential Development of the Bury Unitary Development Plan.

- 12 The turning facilities indicated on the approved plans shall be provided before the development is brought into use and shall subsequently be maintained free of obstruction at all times.

Reason. To minimise the standing and turning movements of vehicles on the highway in the interests of road safety pursuant to the following Policies of the Bury Unitary Development Plan:

Policy H2/1 - The Form of New Residential Development

Policy H2/2 - The Layout of New Residential Development

Policy EN1/2 - Townscape and Built Design.

- 13 The car parking indicated on the approved plans shall be surfaced, demarcated and made available for use prior to the development hereby approved being brought into use.

Reason. To ensure adequate off street car parking provision in the interests of road safety pursuant to Policy HT2/4 - Car Parking and New Development of the Bury Unitary Development Plan.

- 14 The dwellings hereby approved shall not be occupied unless or until a surface water exceedance flow plan has been submitted to and approved by the Local Planning Authority. The drainage scheme shall be constructed in accordance with the approved plan, reference 20013 - 102 rev B and associated calculations, dated 18/12/21.

Reason. To promote sustainable development and reduce flood risk pursuant to Unitary Development Plan Policies EN5/1- New Development and Flood Risk , EN7/3 - Water Pollution and EN7/5 - Waste Water Management and chapter 14 - Meeting the challenge of climate change, flooding and coastal change of the NPPF.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H1/1	H1/1 - Housing Land Allocations
H1/2	H1/2 - Further Housing Development
H2/1	H2/1 - The Form of New Residential Development
H2/2	H2/2 - The Layout of New Residential Development
EN1/2	EN1/2 - Townscape and Built Design
EN1/3	EN1/3 - Landscaping Provision
EN6/3	EN6/3 - Features of Ecological Value
EN7	EN7 - Pollution Control
EN7/2	EN7/2 - Noise Pollution
EN7/5	EN7/5 - Waste Water Management
HT2/4	HT2/4 - Car Parking and New Development
HT4	HT4 - New Development
HT6/2	HT6/2 - Pedestrian/Vehicular Conflict
SPD6	Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
SPD11	Development Control Policy Guidance Note 11 - Parking Standards in Bury
NPPF	National Planning Policy Framework

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
