Proposal: Single storey rear extension

Location: 257 Brandlesholme Road, Bury, BL8 1DH

Description

The application relates to a semi-detached dwelling house located on Brandlesholme Road. The dwelling has a garden and a large driveway located to the front. The attached property is No. 255 and 261 is located on the opposite side. The properties to the rear and front are over 20m away.

Planning permission is sought for a single-storey extension to the rear of the property to accommodate a large open plan living/kitchen area. The extension would project 7.7 metres to the rear and run for approximately 12 metres. The proposed development would be constructed using matching materials and would have a flat roof with rooflight.

Relevant Planning History

None.

Pre-start Conditions

N/A

Unitary Development Plan and Policies

H2/3	Extensions and Alterations
SPD6	Supplementary Planning Document 6: Alterations & Extensions

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF) and the adopted Bury Unitary Development Plan (UDP) together with other relevant material planning considerations, including relevant policies in the emerging Places for Everyone Joint Development Plan.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP Policy will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically

mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual Amenity

UDP Policy H2/3 and SPD6 seeks to achieve a high standard of design that compliments the original building, does not have a detrimental impact on the character or appearance of neighbouring properties, and protects the general street scene.

Situated to the rear, the development would not be visible from the street scene. The extension would be a rectangular extension and unobtrusive design, which would not detract from the character of the dwelling. The proposed extension would be constructed with materials to match the existing dwelling. As such, the proposed development would not be a prominent feature in the street scene and would comply with Policies EN1/2, H2/3 of the Bury Unitary Development Plan and SPD6.

Residential Amenity

SPD 6 and H2/3 seek to reduce the impact of proposals on the residential amenity of neighbouring properties.

- In terms of overlooking and privacy, there would be no new habitable windows proposed on either side of the proposed extension and distance to the rear boundary would be considered sufficient.
- Proposed single storey rear extension would project approximately 7.7m to the rear. However, the adjacent properties have not objected to the proposal and taking into consideration the larger homes scheme the projection of the single storey element would be considered acceptable. Moreover, there would be over 12m to the rear site boundary.
- In terms of the general prominence and impact on daylight the proposed extension would be slightly set off from the shared side boundaries and would be to the north of the adjoining property (No.255) therefore any overshadowing would not be seriously excessive above and beyond the existing situation. Furthermore, there would be a sufficient distance to the adjacent property on the opposite side (No.261).
- There would remain an acceptable amount of outdoor private amenity space.
- As there would be no increase to the number of bedrooms at the property the existing parking arrangements would be considered acceptable.

The proposed extension would be acceptable and comply with UDP Policy H2/3 and associated guidance in SPD6.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered Dwg No. 1 of 4, Dwg No. 2 of 4, Dwg No. 3 of 4, Dwg No. 4 of 4 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 The external finishing materials for the proposal hereby approved shall match those of the existing building.
Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
