I feel that a lawful development certificate should be granted, because I have run my business from these premises for 9 years, without any issues with the council, I employ two part time workers, and have a wife and 9 children at home to support. I am worried that my landlord, might use the fact that I have no certificate as a pretext to evict me, and therefore I feel that this certificate will give me the ability and confidence to expand my business

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
