

BURY COUNCIL
DEPARTMENT OF OPERATIONS

REF NO: 22/354

FROM: Head of Engineering

TO: Head of Development Management

Planning Application No: 69246

Location: 2 Chiltern Drive, Bury, BL8 1QY

Development: Single storey rear/side extension; Alteration to existing vehicular access

RECOMMENDATION

I recommend that any planning permission given shall include the following conditions:

1. The development hereby approved shall not be commenced unless and until facilities for the storage of construction materials have been provided within the curtilage of the site to the satisfaction of the Local Planning Authority. The facilities shall be retained for the intended purpose and the area identified shall not be used for any other purposes other than the storage of construction materials for the duration of the construction period.
2. The revised access and car parking arrangements indicated on the approved plans, incorporating the extension of the existing footway crossing to limits to be agreed on site with the Highway Authority, all highway remedial works required to reinstate the adopted highway to its condition prior to commencement of the development, demarcation of the limits of the adopted highway, retention of the length of existing boundary wall shown to prevent vehicle encroachment of the footway and new driveway in a porous/permeable material and/or measures to prevent the discharge of surface water onto the adopted highway, shall be implemented to the satisfaction of the Local Planning Authority prior to the extension and widened driveway hereby approved being brought into use and thereafter maintained available for use at all times. (CAR1 Amended)

Reasons

1. To maintain the integrity of the adopted highway and ensure adequate off street materials storage arrangements for the duration of the construction period, in the interests of highway safety.
2. To secure the satisfactory development of the site in terms of highway safety, to allow adequate space to maintain a vehicle clear of the highway and maintain the integrity of the adopted highway.
