Bury Metropolitan Borough Council, as local planning authority, hereby **refuse the application** for the proposed development at the address shown above, as described by the description shown above, and in accordance with the information that the developer provided to the local planning authority for the following reason:

- 1 The proposed development fails to meet the requirements of condition AA.2 (3)(a) (ii) of Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) as the external appearance of the dwellinghouse including the design and architectural features of the property would result in a development which would be out of character with the adjacent properties and appear incongruous and discordant within the street scene and would therefore be seriously detrimental to the visual amenity of the area.
