PART 1 - Particulars of Application

Application Number: 69017

Date of Registration: 11/11/2022

Proposal:

Loft conversion with front, side and rear dormers

Location:

240 Stand Lane, Radcliffe, Manchester, M26 1JP

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposed dormer with the flat roof design to the front of the building is neither appropriate to, nor sympathetic with the existing structure, and would be considered seriously detrimental to the visual amenity of the area. The proposed development therefore conflicts with the following policy of the Bury Unitary Development Plan: H2/3 – Alterations and Extensions and associated Supplementary Planning Document 6: Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

EN1/1 EN1/1 - Visual Amenity
EN1/2 EN1/2 - Townscape and Built Design

H2/3 H2/3 - Extensions and Alterations
HT2/4 HT2/4 - Car Parking and New Development
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
NPPF National Planning Policy Framework

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
