

Application for change of use from a mixed commercial use with associated living accommodation above to a mixed use comprising the commercial use of the ground floor and an apartment at first floor, plus a replacement single storey rear extension.

No 7 Church Street , Ainsworth BL2 5RA,

Removal and Storage of Building Materials

Ref: GS-121224.A

The building is currently unoccupied and will remain so until the replacement single storey rear extension is completed.

This provides an opportunity for storing small pieces of building materials on the ground floor.

In addition, there is room to the rear of the building and the site of the proposed extension both for the removal of the existing extension to be demolished and for the delivery of building materials for its replacement.
