Details of the pre-application advice received

We spoke in person to Mr Thorpe On 07 November and advised him of what was required, he said that as far as Building Control were concerned there would be no issue but advised us to email the Planning Department to check with them. We did send an email to who we thought to be the Planning Department as we had rung reception and spoken to someone there, however, we received a further response from Mark Smith of Building Control who reiterated the above.

We then emailed the Planning Department at the correct email address and were asked to complete this application online.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
