Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The building of a summer house in the bottom right hand corner of the garden. 6m by 3m with no more than 2.5m in height. Flat roof, building body made of breeze block then rendered to match the back of house which I will do at the same time. At the moment there is a shed and trampoline which will be replaced by the building. It's about 1/5 of my garden area.

Does the proposal consist of, or include, a change of use of the land or building(s)?

☐ Yes

☒ No

Has the proposal been started?

☐ Yes

☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

There is already a garden shed and trampoline in the designated area which already have been covering the dimensions I have proposed for my summer house. It is on my private land and doesn't impact visually more than the existing structures in place. I have also gained support from all boundary neighbours.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Planning permission is not required as it meets the requirements of standard permitting developments

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Information about the proposed use(s)

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I believe that the development is fully legal and requires no legal building consent. My builder has asked for an LDC to be in place for full peace of mind and security. Due to the size, the distance from the boundaries of any neighbouring property, the bustling height and the domestic use of the building, I believe a certificate should be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent

☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Please state the applicant's interest in the land
