PART 1 - Particulars of Application

Application Number: 70443

Date of Registration: 05/02/2024

Proposal:

Advertisement consent for display integrated
into multifunctional communication hub unit

Location:

Pavement outside 61 The Rock, Bury, BL9
0NB

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposal would result in an unnecessary obstruction/restriction of the existing adopted highway/emergency access route and the creation of additional street clutter for an installation that primarily consists of an advertisement screen, without agreement for the placement of such equipment on the adopted highway with the Highway Authority, which would be detrimental to pedestrian safety, maintaining existing pedestrian desire lines on The Rock and contrary to the active travel aspirations of the Council. The proposed development would therefore be contrary to UDP Policy EN1/9.
- 2 The proposed development by reason of its siting and position within The Rock would introduce a piece of street furniture and clutter to an area which would interrupt and obstruct the visual rhythm and pattern of the layout of the existing street which would be seriously detrimental to the visual amenity and appearance of the streetscene. The proposed development would therefore be contrary to UDP Policy EN1/9 .

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which

could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

EN1	EN1 - Built Environment
EN1/2	EN1/2 - Townscape and Built Design
EN1/9	EN1/9 - Advertisements
EN1/10	EN1/10 - Telecommunications
EN1/4	EN1/4 - Street Furniture
HT5/1	HT5/1 - Access For Those with Special Needs
CF1/1	CF1/1 - Location of New Community Facilities
HT6/1	HT6/1 - Pedestrian and Cyclist Movement
S1/1	S1/1 - Shopping in Bury Town Centre
S2/3	S2/3 - Secondary Shopping Areas and Frontages
NPPF	National Planning Policy Framework
JP-C2	Digital Connectivity

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

NOTES TO APPLICANT

- . It is brought to the attention of the applicant that the proposal affects existing adopted highway and that the necessary permit for the placement of such equipment on the adopted highway is highly likely to be refused by the Highway Authority.
