

ICE Arch Ltd takes no responsibility for any dimensions extracted or scaled from this drawing. It is the responsibility of the client to verify all dimensions and measurements. Scaling the drawing in digital form is not permitted. All dimensions and measurements must be taken from the drawing as shown. Any discrepancies must be reported to the architect immediately.

All dimensions and conditions are to be checked on site by the client. The client is responsible for checking and agreeing all dimensions and design details.

Drawings to be used in conjunction with Structural Engineers, and other specialist consultants, to provide a complete design solution. The client is responsible for ensuring that all relevant regulations and standards are followed.

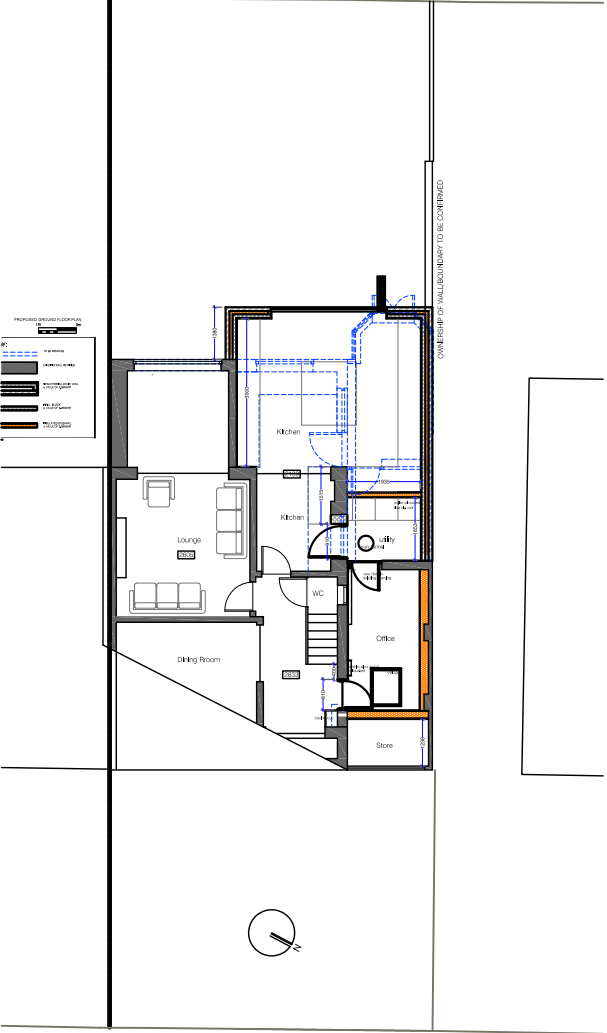

The drawings shall be prepared and issued by ICE Arch Ltd. The client is responsible for ensuring that the drawings are used in accordance with the conditions of use. It should be noted that the results of third party investigations may impact the design and structural design to change.

The drawing is copyright of ICE Arch Ltd
