Floor plan of the second floor. It features two bedrooms, each labeled "Bed". A bathroom is located at the top left, containing a toilet and a sink. A staircase is situated on the left side of the plan. The bottom portion of the floor plan is shaded gray.

Floor plan of the second floor. It includes a bathroom with a bathtub, toilet, and sink. A staircase leads down from the bathroom area. There are two bedrooms: 'Bed 3' and 'Bed 4'. 'Bed 4' is a large room at the bottom of the plan, shaded in grey. 'Bed 3' is a smaller room above it. A doorway connects the two bedrooms.

dormer under construction

Technical drawing of a door and window assembly. The drawing shows a side elevation of a door and a window above it. The door has a transom window with a decorative mullion pattern. The window above the door is a simple rectangular unit. Dimensions are indicated by dashed lines and numbers: the door height is 2000, the window height is 1000, and the total height of the assembly is 3000. The door width is 1000, and the window width is 1000. The drawing is labeled 'D' and 'W' for door and window respectively.

This architectural drawing shows the exterior elevation of the building. It features a gabled roof with a chimney on the left side. A window is visible on the right side of the elevation. The drawing is a line drawing with no shading.
