PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The design of the proposed rear extensions, and rear dormers is neither appropriate to, nor sympathetic with the existing structure, and would be detrimental to the visual amenity of the area. The proposed development therefore conflicts with the following policy(ies) of the Bury Unitary Development Plan:
- 2 The proposed roof height increase, by reason of its size and design, would be a prominent and intrusive feature in the street scene and would therefore, be seriously detrimental to the visual amenities of the area. The proposed development therefore conflicts with the following policy(ies) of the Bury Unitary Development Plan.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy

Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

EN1/1 EN1/1 - Visual Amenity
EN1/2 EN1/2 - Townscape and Built Design
H2/3 H2/3 - Extensions and Alterations
HT2/4 HT2/4 - Car Parking and New Development
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
