

220 Ainsworth Road – Post development habitat map

Post-development habitat area:

Category	SSM type	Amount	Comments
Urban	Developed land/sealed surface	60 m ²	New house
Urban	Vegetated garden	170 m ²	New garden
Hedgerow	Native	10 m	New hedgerow

Note – to be shown on landscape plan – final places to be determined.

- Two trees should be planted to compensate for the self-set Sycamore on the northern boundary that will be removed.
- 10m of native hedgerow to be planted to compensate for the Privet hedge that is being removed.

Prepared by Peter Black following site visit June 2025.
