First Schedule

Addition of antennae to an existing 15 metre high pole structure that supports fibre cable

Second Schedule

Grass Verge Opposite 18 & 20 Barmouth Street
Manchester
M11 3BZ

Manchester City Council hereby certify that on 5 July 2022 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) Grant on the basis that the addition of antennae to an existing 15 metre high pole structure that supports fibre cable constitutes permitted development as the works proposed would comply with the requirements of Schedule 2, Part 16, Class A, A.1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Date: 30 August 2022

Notes to applicant

1. This certificate is issued solely for the purposes of section 192 of the Town and Country Planning Act 1990 (as amended).
2. This certificate is issued solely to the extent of the use/operations described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use/operations which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
3. The effect of the Certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
