

Typical close boarded timber fence with front and rear views.
Heights to suit site plan.

General Note

All fences to be formed in close boarded timber to a 1800mm height to the side of the property and a 1200mm height forward of the principle elevation.

Secure bin store is to be enclosed with 1800mm high close boarded timber fence panels

The bike store is to be formed in 2100mm high close boarded timber fencing with secured gates and timber and felt clad roof.

All gates to match fencing treatments.

Existing walls to be retained as existing and made good to match existing where delapidated
