Dear Sir/Madam

Proposal: Article 18 consultation from Rossendale Borough Council (ref. 2025/0267) Construction and operation of 12 wind turbines with a maximum height to the tip of the blade of 180 metres (above ground level), together with associated ancillary infrastructure comprising crane pads and hardstandings; new access tracks; improvement and widening works to Scout Road; onsite substation; underground electrical infrastructure and cabling; fencing and boundary treatments; external lighting; drainage infrastructure; habitat and moorland restoration works; public right of way works; landscaping; temporary construction compound and staging area; underground electrical grid connection to the Rossendale Bulk Supply Point; and associated engineering works; alongside the retention of and improvements to existing access tracks associated with the existing Scout Moor Wind Farm (Further Environmental Information).

Location: Land At And Adjacent To Scout Moor Wind Farm Rossendale And Rochdale

This application has now been considered and this Authority **RAISES NO OBJECTION** to the proposal. The Local Highway Authority however request that this Authority is consulted on any subsequent condition discharge applications in relation to Construction Traffic Management Plan/s.

I would ask that you give every consideration to any representations you have received from residents of Bury when you assess the acceptability or not of the scheme.

Yours faithfully

The Development Management Team
