1 November 2021

Dear Helen

PLANNING APPLICATION: 67597 S73

Variation to conditions following approval of planning permission 62969; East Lancs Paper Mill, Church Street East, Radcliffe, Manchester, M26 9PG

Thank you for your consultation letter of 28 October 2021 seeking the views of the Coal Authority on the above planning application.

The Coal Authority is a non-departmental public body sponsored by the Department of Business, Energy & Industrial Strategy. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

The Coal Authority Response:

The Coal Authority has **no comments** to make as none of the conditions are coal mining related, which stands to reason when considering the comments made in our consultation response letter to planning application 62969 dated 19 July 2018 (i.e. **no objections**).

Please do not hesitate to contact me if you would like to discuss this matter further.

Yours sincerely

Chris MacArthur

Chris MacArthur *B.Sc.(Hons), DipTP, MRTPI*

Disclaimer

The above consultation response is provided by The Coal Authority as a Statutory Consultee and is based upon the latest available coal mining data on the date of the response, and electronic consultation records held by The Coal Authority since 1 April 2013. The comments made are also based upon only the information provided to The Coal Authority by the Local Planning Authority and/or has been published on the Council's website for consultation purposes in relation to this specific planning application. The views and conclusions contained in this response may be subject to review and amendment by The Coal Authority if additional or new data/information (such as a revised Coal Mining Risk Assessment) is provided by the Local Planning Authority or the Applicant for consultation purposes.
