PART 1 - Particulars of Application

Application Number: 70870

Date of Registration: 17/09/2024

Proposal:

Conversion of part of adjoining barn to form a two storey addition to existing dwelling

Location:

33 Sunny Bower Street, Tottington, Bury, BL8 3HL

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 23001 001 revA, 23005 002, 23001 100 revA, 23001 101 revB, 23001 102 revA, 23001 103 revA and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan and Places for Everyone Joint Development Plan listed.
- 3 Notwithstanding the approved plans, no development shall commence unless or until section and elevation details of the proposed windows and doors have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in accordance with the approved details.
Reason: No details have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to UDP Policy EN1/2 - Townscape and Built Design.
- 4 Details/Samples of the external timber cladding to infill the existing barn door on the west elevation shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Only the approved materials shall

be used for the construction of the development.

Reason. No material samples have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to UDP Policy EN1/2 - Townscape and Built Design.

- 5 Prior to the commencement of any works to the roof, a specification for the roof lights shall be submitted to and approved in writing by the Local Planning Authority and the development shall be carried out in accordance with the approved details.

Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy EN1/2 - Townscape and Built Design of Bury Unitary Development Plan.

- 6 Prior to any external building works or works in the roof space, a precautionary working measures method statement for bats shall be submitted to and approved in writing by the Local Planning Authority. Should work not commence prior to April 2026 an updated bat assessment must be provided.

A programme of mitigation shall be submitted to and approved in writing by the Local Planning Authority and all the approved mitigation measures shall be fully implemented prior to the commencement of the works and to remain in situ on the site for an agreed period of time.

Reason. In order to ensure that no harm is caused to a Protected Species pursuant to Policy EN6/3 – Features of Ecological Value of the Bury Unitary Development Plan and Section 11 of the National Planning Policy Framework.

- 7 The car parking indicated on the approved plans shall be surfaced, demarcated and made available for use prior to the conversion hereby approved being brought into use.

Reason. To ensure adequate off street car parking provision in the interests of road safety pursuant to Policy HT2/4 - Car Parking and New Development of the Bury Unitary Development Plan.

- 8 No development shall commence unless and until a 'Construction Traffic Management Plan' (CTMP), has been submitted to and approved by the Local Planning Authority and shall confirm/provide the following:

- Hours of operation and number of vehicle movements;
- Arrangements for the turning and manoeuvring of vehicles within the curtilage of the site;
- Parking on site of operatives' and demolition/construction vehicles together with storage on site of demolition/construction materials;
- Measures to ensure that all mud and other loose materials are not carried on the wheels and chassis of any vehicles leaving the site and measures to minimise dust nuisance caused by the operations

The approved plan shall be adhered to throughout the demolition/construction period and the measures shall be retained and facilities used for the intended purpose for the duration of the demolition and construction periods. The areas identified shall not be used for any other purposes other than the turning/parking of vehicles and storage of demolition/construction materials.

Reason. Information not submitted at application stage. To mitigate the impact of the construction traffic generated by the proposed development on the adjacent residential streets, and ensure adequate off street car parking provision and materials storage arrangements for the duration of the construction period and that the adopted highways are kept free of deposited material from the ground works operations, in the interests of highway safety pursuant to Bury Unitary Development Plan Policies EN1/2 - Townscape and Built Design and HT6/2 - Pedestrian/Vehicular

Conflict.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority worked positively and proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.
