5. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

To formalise the existing overspill car park and improve pedestrian access along Woodhill Road.
Including:

5. Description of the Proposal

- sensitive upgrading of the road and parking bay surfacing using a porous geogrid surface
- creation of a new pedestrian footpath between the car park and Woodhill Road
- creation of a new pavement on the western side of Woodhill Road
- a new zebra crossing across Woodhill Road to create a continuous pedestrian link from Stock Street into the heart of the Country Park
- widening vehicular and pedestrian entrances into the car park area by removing short sections of hedgerow followed by improving the quality of the hedge through replanting according to advice from Ecologist
- new wildflower and woodland understorey planting to the eastern boundaries of the car park to strengthen the wildlife corridor
- new standard tree planting within the car park area

Has the work or change of use already started? ☐ Yes ☒ No

6. Existing Use

Please describe the current use of the site

existing informal overspill car park used at busy times and for events at the Park

Is the site currently vacant? ☐ Yes ☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated ☐ Yes ☒ No

Land where contamination is suspected for all or part of the site ☒ Yes ☐ No

A proposed use that would be particularly vulnerable to the presence of contamination ☐ Yes ☒ No

7. Materials

Does the proposed development require any materials to be used externally? ☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):

Boundary treatments (e.g. fences, walls)	
Description of existing materials and finishes (optional):	existing native hedgerow
Description of proposed materials and finishes:	new native planting to strengthen and improve the hedgerow including hawthorn, blackthorn, whitebeam, honeysuckle and field rose

Vehicle access and hard standing	
Description of existing materials and finishes (optional):	small area of gravel ahrd standing at vehicular entrance from Woodhill Road. Car parking bays previously strengthened with 'fibresand' or 'fibreturf'
Description of proposed materials and finishes:	A fully porous geogrid system for both the access road, intermediate roads and parking bays. Roads will be infilled with a buff coloured gravel; car parking bays to be infilled with soil and grass. The pedestrian pavement inside the car park will be a root protection geogrid to minimise the impact on the existing hedgerow. The new pavement on the western side of Woodhill Road will be two separate materials - a bitmac pavement along the carriageway to link in with the pavement on the bridge and the link path with the wider Country Park paths will be a crushed stone to dust, well compacted to match existing. Details have been included.

Are you supplying additional information on submitted plans, drawings or a design and access statement? ☒ Yes ☐ No

If Yes, please state references for the plans, drawings and/or design and access statement
