Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is currently a dwelling house for up to 4 people living as a single household

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C2 - Residential institutions

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed use of the property as a small-scale children's home (Use Class C2) for up to two children, with carers providing 24-hour support on a shift basis, falls within the definition of Class C2 under the Town and Country Planning (Use Classes) Order 1987 (as amended). No external building works are proposed, and the scale of occupation will be comparable to that of a typical family dwelling. The use will be managed professionally and will not constitute a material change of use beyond that defined by the relevant use class. Accordingly, the proposal is lawful under the provisions of section 192 of the Town and Country Planning Act 1990, and a Lawful Development Certificate should therefore be granted.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

☐ Yes

☒ No

Please state the applicant's interest in the land

☐ Owner

☒ Lessee
