☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Replacement of an existing timber framed agricultural building constructed over 80 years ago with a more modern timber framed agricultural building. The existing hard standings will be used, but a small area of approximately 3 square meters of additional hard standing will be added. Existing drains will be used and no other groundwork will be necessary.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The building is currently used as an agricultural building, but due to its age it has deteriorated to such an extent that a new replacement is necessary. The farm is a working smallholding, and the building is used to house sheep and to store hay and other bedding materials. The smaller building adjoining it will replace an existing garage and feed store, and will be used for the same purpose.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The footprint of the proposed new agricultural building will not exceed that of the existing one in area (it will actually be slightly smaller) and the building will be of a height and type similar to the existing one, and used for the same purposes.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
