

69344 – Hey House, Holcombe Old Road, Ramsbottom

Demolition of existing garage and Erection of two storey outbuilding with external staircase for use as garage/office

A resubmission of 68864 - First floor extension above existing garage with external staircase

The resubmission is to demolish the existing single storey non-historic brick structure and construct a new two storey building from matching local stone. As such this would represent an enhancement to the appearance of the conservation area and is therefore acceptable in heritage conservation terms.
