Proposal: Two storey side extension; Single storey rear extension; Front porch

Location: 10 Sandybrook Close, Tottington, Bury, BL8 3LB

Description

The property is a semi-detached dwelling with a drive to the front and a garden to the rear. The adjoining neighbour is No. 12 Sandbrook Close and No. 8 Sandbrook Close is on the opposite side. A public pathway separates the properties to the rear and site.

The planning permission is sought for the construction of a two-storey side extension and single storey rear extension along with a new front porch. The proposed two-storey side extension would project 2.8 metres to the side and run 10.5 metres to the principle rear elevation. The single-storey rear extension would project 2.9 metres to the rear and run the entire width of the property (7.2 metres). The front porch would measure 2.2 metres in length and extend 1.3 metres to the front.

The development would have pitched roofs to the side and front along with a mono-pitched roof with sun- roofs to the rear. The proposal would accommodate a porch, storeroom, utility, and a new open plan kitchen on the ground floor level along with one additional bedroom and a new bathroom on the first floor.

Relevant Planning History

None.

Publicity

Neighbour letters sent on 03/11/2022. No objections.

Comment

- Concerns of of using the back street/path at the rear of the site for access and storage.

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF) and the adopted Bury

Unitary Development Plan (UDP) together with other relevant material planning considerations. The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP Policy will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual Amenity

UDP Policy H2/3 and SPD6 seeks to achieve a high standard of design that compliments the original building, does not have a detrimental impact on the character or appearance of neighbouring properties, and protects the general street scene.

Situated to the rear, the development would not be visible from the street scene. The extension would be a rectangular extension, simple and unobtrusive design, which would not detract from the character of the dwelling. The proposed extension would be constructed with materials to match the existing dwelling. As such, the proposed development would not be a prominent feature in the street scene and would comply with Policies H2/3 of the Bury Unitary Development Plan and SPD6.

Residential Amenity

SPD 6 and H2/3 seek to reduce the impact of proposals on the residential amenity of neighbouring properties.

- In terms of overlooking and privacy, there would be no new habitable windows proposed in either side of the extension and there would be no properties to the rear.
- SPD states that a single storey extension should not project more than 3m along a neighbouring boundary. At which point the 45° rule would apply. However, taking in to account the Larger Homes Scheme and that the adjacent neighbours have not objected the projection of 4 metres along the shared boundary would be considered acceptable in this instance.
- There would remain an acceptable amount of outdoor private amenity space.
- As there would be no increase to the number of bedrooms at the property the existing parking arrangements would be considered acceptable.

Overall, there would be no serious impact on amenities of the adjacent neighbouring properties. The proposal therefore conforms to UDP Policy H2/3 - Extensions and Alterations and the requirements of Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

Parking

The proposal will result in one additional bedroom on the first floor, however there will be no changes to site access or parking. The current parking conditions meets the maximum parking requirements.

Reponse to comment(s)

The street at the rear is a private access. This is a private matter. The council cannot monitor the use of the street/ footpath. However, a condition relating to the storage of construction materials has been inserted.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 1, 2 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 The external finishing materials for the proposal hereby approved shall match those

DELEGATED REPORT

of the existing building.

Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

- 4 The proposed side windows on the ground floor subject to this application shall remain obscure glazed upto 1.7 metres.

Reason: To protect privacy pursuant to policy: H2/3 and SPD 6

- 5 Facilities for the storage of construction materials shall be provided within the curtilage of the site. The measures shall be retained and facilities used for the intended purpose for the duration of the construction period.

Reason. To maintain the integrity of the adopted highway and ensure adequate off street materials storage arrangements for the duration of the construction period, in the interests of highway safety pursuant to UDP Policy H2/3 Extensions and Alterations.
