

Additional Information

PHOTOGRAPHIC CONDITION RECORD

Existing Windows and Doors

Applications 73482 (PA) and 73481 (LBC)

Prepared by Amanda Riley

Date: 21 September 2026

Status: Supporting document for Listed Building Consent

Purpose: This appendix provides enlarged photographs of the existing windows and doors identified in the submitted window and door schedule. The images are presented as an opening-by-opening condition record and should be read alongside the schedule and elevation drawings
