Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

To improve the garden for the community including upgrading drainage and footpaths; installing new seating, litter bins, interpretation and decorative waymarkers; enlarging the stage area with associated new ramped access and carrying out tree works around the wider site (including crown lifting, pruning, felling and replacement tree, shrub and wildflower planting).

Has the work or change of use already started?

☐ Yes

☒ No

Existing Use

Please describe the current use of the site

The site is currently a community garden though it isn't widely used as much as it used to be

Is the site currently vacant?

- ☐ Yes
- ☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

- ☐ Yes
- ☒ No

Land where contamination is suspected for all or part of the site

- ☐ Yes
- ☒ No

A proposed use that would be particularly vulnerable to the presence of contamination

- ☐ Yes
- ☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
- ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:
Walls

Existing materials and finishes:
Stone walls

Proposed materials and finishes:
Stone walls to match existing (using reclaimed stone to blend in better with the surroundings and reusing stone from site)

Type:
Vehicle access and hard standing

Existing materials and finishes:
black bitmac with concrete edgings

Proposed materials and finishes:
black bitmac with concrete edgings - the same as existing - the paths are in need of resurfacing and repair so this work will be carried out in the same material

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
