Proposal: Single storey side extension

Location: 7 Copthorn Walk, Tottington, Bury, BL8 3JX

Description

The property is a semi detached house on an end plot extended with a conservatory at the rear. It has garden to the front and rear and a gap to the side with fencing along the side and rear boundary. A footpath runs along the front of the row of houses providing pedestrian access and a road runs to the rear of the site and around to the side where the property has a detached garage.

The application proposes a single storey extension at the side. It would come out 2.4m from the level of the rear elevation and run for 3.8m forming a utility room with wc.

Relevant Planning History

38154 - Single storey extension to front and side - AC 24/09/01.

Publicity

Surrounding neighbours were notified by letter and no responses have been received.

Statutory/Non-Statutory Consultations

None.

Pre-start Conditions - Not relevant.

Unitary Development Plan and Policies

H2/3 Extensions and Alterations

SPD6 Supplementary Planning Document 6: Alterations & Extensions

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF) and the adopted Bury Unitary Development Plan (UDP) together with other relevant material planning considerations. The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP Policy will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant

protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual amenity and design - The proposed extension would be built to within 0.16m of the side boundary, level from the rear elevation and set back 4m from the front elevation. The site is a corner plot and SPD6 can require a remaining gap to the side of 2m in order to protect the street scene. In this case the side of the site borders the access road to the back of the properties and as such the proposal would not result in an intrusive feature or be harmful to the character of the area.

The proposed extension would have a monopitch roof with a door/window to the front and window to the rear. Materials would be brickwork and roof tiles to match the existing.

The proposal is considered acceptable and in keeping with the existing property and would not have a detrimental impact on the visual amenity of the area.

Parking - The proposal would not increase the number of bedrooms therefore SPD 11 Parking Standards need not be considered. There is no off street parking, the site has a garage which would not be affected by the proposal.

Residential amenity - There are no neighbouring properties in close enough proximity for the proposal to have any significant impact.

The proposal complies with UDP Policy H2/3 and SPD6 - Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

DELEGATED REPORT

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to the drawings received on 18/11/22 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
