The depth of the extension and height of the eaves fall within what is understood to be permitted.
The extension is to the rear of the property and does not face the highway.
The materials and style of the extension are taken form what is already present.
The extension sits more than 7meters from the curtilage.

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.
