Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The proposal is to have a cabin (3.5x4m) in the back yard of our residential property for use by me to carry out my sole trader business of hairdressing. The cabin will be fully contained, with separate entrance and exit doors - it is stand alone and does not attach to the residential property, which is used solely as our family private home. The business will result in one visitor at any one time, and there are ample parking facilities via a piece of land a few seconds away which is already used by visitors for parking. My proposed working times are between 9am-6pm and therefore I will not be working at any unreasonable times. Any noise or smells generated will be the sound of a hairdryer and the application of hair dye. These are trivial and will be contained within the cabin, and they will not cause a nuisance to neighbours.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
