

EV Charging provision – COMMENT

The site is situated within Bury Council's Air Quality Management Area. Bury Council has been identified by DEFRA as an area requiring to significantly improve air quality. The required measures to do this are currently under discussion.

The proposal includes an increase in car parking spaces and due to the above, and the requirements of the new building regulations (The Building Regulations 2010, Approved Document S, Infrastructure for the charging of electric vehicles), please supply details of the proposed provision for electric vehicle charging.
