

BURY COUNCIL
DEPARTMENT OF OPERATIONS

REF NO: 24/159

FROM: Head of Engineering

TO: Head of Development Management

Planning Application No: 70890

Location: 9 Nursery Road, Prestwich, Manchester, M25 3EW

Development: Single storey side extension; New access of driveway
and vehicular dropped crossing

RECOMMENDATION

I recommend that any planning permission given shall include the following conditions:

1. The revised access arrangements indicated on approved plan reference SHT 3 of 3, incorporating the provision of a new footway crossing, reinstatement of the redundant footway crossing to adjacent footway levels, demarcation of the limits of the adopted highway, new driveway in a porous/permeable material and/or measures to prevent the discharge of surface water onto the adopted highway and all highway remedial works required to reinstate the adopted highway to its condition prior to commencement of the development, shall be implemented to the satisfaction of the Local Planning Authority prior to the development and widened driveway hereby approved being brought into use and thereafter maintained available for use at all times. (CAR1 Amended)
2. The development hereby approved shall not be commenced unless and until facilities for the storage of construction materials have been provided within the curtilage of the site to the satisfaction of the Local Planning Authority. The facilities shall be retained for the intended purpose and the area identified shall not be used for any other purposes other than the storage of construction materials for the duration of the construction period.

Reasons

1. To secure the satisfactory development of the site in terms of highway safety, ensure good highway design and maintain the integrity of the adopted highway, all in the interests of highway safety.
2. To maintain the integrity of the adopted highway and ensure adequate off highway materials storage arrangements are provided for the duration of the construction period, in the interests of highway safety.
