

Places for Everyone

Single storey extension to create an additional storage unit
Land to east of Poppythorn Lane Prestwich

JP-S2: Carbon and Energy

The electrical provision would probably comprise of just two LED strip lights and a double socket. It is therefore considered that because of the minor nature of the proposed development; this policy does not apply in this case.

JP-C2 Digital Connectivity

Digital connectivity does not form part of this proposed development because of the nature of its use.
