4. Site Area

What is the measurement of the site area?
(numeric characters only).

229.00

Unit

Sq. metres

5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

-Replacement of A/C system, external condenser unit to be replaced with new,
-New roof edge protection to the existing low parapet wall
- Convert existing window to access door to flat roof

Proposal:
ISG have been asked to replace the existing VRV units and provide new VRV system that increases efficiency and provides heating and cooling to ground and first floors. The new system will feed all areas of the bank including the banking hall which currently does not have air conditioning installed.
We will be installing a central controller within the branch, the branch currently doesn't have this facility. This has many benefits, the maintenance of the system will be a lot easier, a schedule for the units can be set on the central control to control all units in the bank to run for set hours and stop at set times. This will prevent the bank staff from walking out and leaving units on by accident and wasting energy. We will also connect the fire alarm to the central controller to shut

5. Description of the Proposal

down all the equipment in the event of a fire this is a feature that isn't currently installed on the existing system. New local controls will be installed, the new controls are more user friendly and easier to use.

Scope of works:
Mechanical

- Carry out acoustic survey to determine whether the proposed condensers will require an acoustic enclosure
- Degas and remove all the existing A/C equipment
- Set up temporary heating/cooling if required.
- Supply and install the new internal AC pipework and internal units
- Pre plan and programme in the crane lift for condenser lift
- Remove existing external Condenser unit & Supply and install the new external condensers and external pipework,
- Test and commission the A/C systems
- Carry out staff demonstrations

Electrical

- Electrical attendance to isolate and strip out the power supplies to the existing AC condensers and internal units
- Installation of a new TPN mechanical DB
- Supply and install new power supplies and containment for the external condensers
- Supply and install new power supplies and containment for the internal AC units & HVAC panel
- Supply and install fire alarm interface for the HVAC panel
- Test/Commissioning

Builders Work Requirements

- Pipework penetrations & fire stopping as per the builders work drawing
- Ceiling temporary removal works for the new installation as indicated on the builders work drawing

Has the work or change of use already started?

☐ Yes ☒ No

6. Existing Use

Please describe the current use of the site

a2 - financial

Is the site currently vacant?

☐ Yes ☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

☐ Yes ☒ No

Land where contamination is suspected for all or part of the site

☐ Yes ☒ No

A proposed use that would be particularly vulnerable to the presence of contamination

☐ Yes ☒ No

7. Materials

Does the proposed development require any materials to be used externally?

☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):

Other External Condenser Unit	
Description of existing materials and finishes (optional):	White Painted galvanized steel plate
Description of proposed materials and finishes:	White Painted galvanized steel plate

Boundary treatments (e.g. fences, walls)	
Description of existing materials and finishes (optional):	No existing
Description of proposed materials and finishes:	New edge protection to be in Galvanized steel

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes ☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Proposed Electrical plans to GF and First Floor
Proposed Mechanical plans to GF and First Floor
Proposed Builder works plans to GF and First Floor
Plant schedule
Technical specification to External Unit
Proposed Access drawing

8. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway? ☐ Yes ☒ No

Is a new or altered pedestrian access proposed to or from the public highway? ☐ Yes ☒ No

Are there any new public roads to be provided within the site? ☐ Yes ☒ No

Are there any new public rights of way to be provided within or adjacent to the site? ☐ Yes ☒ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? ☐ Yes ☒ No

9. Vehicle Parking

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces? ☐ Yes ☒ No

10. Trees and Hedges

Are there trees or hedges on the proposed development site? ☐ Yes ☒ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? ☐ Yes ☒ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

11. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) ☐ Yes ☒ No

If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? ☐ Yes ☒ No

Will the proposal increase the flood risk elsewhere? ☐ Yes ☒ No

How will surface water be disposed of?

☐ Sustainable drainage system

☒ Existing water course

☐ Soakaway

☐ Main sewer

☐ Pond/lake

12. Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

12. Biodiversity and Geological Conservation

a) Protected and priority species:

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

b) Designated sites, important habitats or other biodiversity features:

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

c) Features of geological conservation importance:

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

13. Foul Sewage

Please state how foul sewage is to be disposed of:

- ☒ Mains Sewer
☐ Septic Tank
☐ Package Treatment plant
☐ Cess Pit
☐ Other
☐ Unknown

Are you proposing to connect to the existing drainage system?

☐ Yes ☒ No ☐ Unknown

14. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

☐ Yes ☒ No

Have arrangements been made for the separate storage and collection of recyclable waste?

☐ Yes ☒ No

15. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

☐ Yes ☒ No

16. Residential/Dwelling Units

Please note: This question has been updated to include the latest information requirements specified by government. Applications created before 23 May 2020 will not have been updated, please read the 'Help' to see details of how to workaround this issue.

Does your proposal include the gain, loss or change of use of residential units?

☐ Yes ☒ No

17. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' covers ALL uses except Use Class C3 Dwellinghouses

☐ Yes ☒ No

18. Employment

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

☐ Yes ☒ No

19. Hours of Opening

Are Hours of Opening relevant to this proposal?

☐ Yes ☒ No

20. Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

☐ Yes ☒ No

Is the proposal for a waste management development?

☐ Yes ☒ No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website

21. Hazardous Substances

Does the proposal involve the use or storage of any hazardous substances?

☐ Yes ☒ No

22. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

23. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☐ Yes ☒ No

24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

25. Ownership Certificates and Agricultural Land Declaration

CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

*** 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.

Person role

- ☐ The applicant
☒ The agent
