Proposal: Single storey front extension

Location: 1 Pendennis Close, Radcliffe, Manchester, M26 3UH

Description

The property is a two storey detached property among houses of similar style with a detached garage to the side. There are gardens to the front and rear, and a drive to the side that leads to the garage. The adjacent neighbouring properties on either side are No 3 Pendennis Close (North) and No.24 Donnington Road (South).

Planning permission is sought for the erection of a single storey front extension. The extension would project 2050mm to the front to align with the existing WC and Utility room and run 2270mm to the side. The proposed ramp would be situated in front of the extension and project 945m to the front, run approximately 4000mm and the height of the railing would be around 900mm.

The extension would have a pitched roof with sunroof and accommodate a bathroom and an entrance porch. The use of matching materials would be utilised.

Relevant Planning History

None.

Publicity

Neighbour letters sent on 01/08/2025. No objections received.

Statutory/Non-Statutory Consultations

SPD6 Supplementary Planning Document 6: Alterations & Extensions

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF), the adopted Places for Everyone Joint Development Plan Document (PfE) and the saved policies within the adopted Bury Unitary Development Plan (UDP), together with other relevant material planning considerations.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For

simplicity, just the UDP and PFE Policies will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual amenity

SPD 6 and UDP Policy H2/3 seek to achieve a high standard of design that compliments the original building and does not have a detrimental impact on the character and appearance of neighbouring properties and the general street scene.

The extension and the proposed ramp would be modest in scale and in keeping with the existing property and streetscape. The proposal is therefore acceptable and would comply with UDP Policy H2/3 and guidance in terms of visual amenity.

Residential amenity

SPD 6 and H2/3 seek to reduce the impact of proposals on the residential amenity of neighbouring properties.

Given its siting and modest scale of the proposed extension and ramp, there would be no residential amenity issues arising from the proposal. The proposed development would also have detrimental impact on the existing parking arrangements on site nor the properties

directly to the front. Therefore, the proposal conforms to UDP Policy H2/3 - Extensions and Alterations and the requirements of Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 11639-02 (Rev:P2) and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan and Places for Everyone Joint Development Plan listed.
