The Canal & River Trust is a statutory consultee under the Town and Country Planning (Development Management Procedure) (England) Order 2015. The current notified area applicable to consultations with us, in our capacity as a Statutory Consultee was issued to Local Planning Authorities in 2011 under the organisations former name, British Waterways. The 2011 issue introduced a notified area for household and minor scale development and a notified area for EIA and major scale development.

This application falls outside the notified area for its application scale. We are therefore returning this application to you as there is no requirement for you to consult us in our capacity as a Statutory Consultee.

We are happy to comment on particular applications that fall outside the notified areas if you would like the Canal & River Trust's comments in specific cases, but this would be outside the statutory consultation regime and must be made clear to us in any notification letter you send.

Should you have a query in relation to consultation or notification of the Canal & River Trust on planning applications, please email us at planning@canalrivertrust.org.uk
