PART 1 - Particulars of Application

Application Number: 70791

Date of Registration: 10/07/2024

Proposal:

First floor extension and porch at front, two storey extension at front/side/rear and single storey extension at side/rear

Location:

33 Bland Road, Prestwich, Manchester, M25 9NW

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 502 Revision 1, 002, 003, RTS/13102020 02/TCP 001 and RTS/13102020 02/TCP 002 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury UDP Policy H2/3 - Extensions and Alterations and the guidance in Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties.
- 3 The external finishing materials for the proposal hereby approved shall match those of the existing building.
Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
- 4 All trees to be retained on site and identified within the submitted tree report received

27th October 2020 shall be protected in accordance with BS 5837:2012 "Trees in relation to design, demolition and construction". The development shall not commence unless and until the measures required by the British Standard are implemented and all measures required shall remain in situ until the development has been completed.

Reason. To avoid the loss of trees which are of amenity value to the area pursuant to Policy EN1/2 - Townscape and Built Design and EN8/2 – Woodland and Tree Planting of the Bury Unitary Development Plan.

- 5 No works shall commence unless and until a scheme showing the location for 2 no. replacement trees including size, species and location has been submitted to and approved in writing by the Local Planning Authority. The agreed replacements shall be planted in accordance with the submitted and approved mitigation scheme in the earliest planting season following the removal of trees (The planting season extends from October to the following March). If, within a period of 5 years from the date of planting, the tree (or any other tree planted in replacement for it) is removed, uprooted or destroyed or dies, another tree of the same size and species shall be planted in the same place, or in accordance with any variation for which the Local Planning Authority give their written consent.

Reason. To comply with the duties indicated in Section 197 of the Town and Country Planning Act 1990, so as to ensure that the amenity value of the existing tree or trees is maintained by the provision of adequate replacements.

- 6 Before the first occupation of the extension hereby permitted the ground floor wc window to the north side elevation and first floor bathroom windows to the front and rear elevations shall be fitted with obscured glazing and shall be permanently retained in that condition thereafter.

Reason. To protect the privacy of adjoining occupiers and to accord with Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3	H2/3 - Extensions and Alterations
SPD6	Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
EN1/2	EN1/2 - Townscape and Built Design
EN8/2	EN8/2 - Woodland and Tree Planting
PFE	Places for Everyone

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other

consent or approval which is necessary must be obtained from the appropriate authority.

Applicant Plan Numbers:

rawings numbered 502 Revision 1, 002, 003, RTS/13102020 02/TCP 001 and RTS/13102020 02/TCP 002

NOTES TO APPLICANT

- . In accordance with S93G of the Town and Country Planning Act 1990 (As amended by Section 111 Levelling Up & Regeneration Act 2023) there is a legal requirement for you to inform the Council of the date when you intend to commence the development on site via submission of a Commencement Notice. This notice is mandatory for all developments and came into effect on 31 March 2024. You can find more information and download a copy of the Commencement Notice under the Before Starting Work section on our website at <https://www.bury.gov.uk/planning-building-control/planning-permission/planning-application-process>
- . The applicant should note that under the terms of the Wildlife and Countryside Act (1981) (as amended) and the Conservation of Habitats and Species Regulations (2010) it is an offence to disturb or harm any protected species, or to damage or disturb their habitat or resting place. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.
- . The applicant should note that this consent does not affect any private property rights and therefore does not authorise the carrying out of any work on land, or entering land outside his/her control. If such works are required it will be necessary for the applicant to obtain the landowners consent before work starts.
- . There is a legal duty of care incumbent on the customer and contractor that all commercial waste generated as a result of the works hereby authorised is safely contained, transported and disposed of lawfully in line with the Environmental Protection Act 1990 and Environmental Permitting Regulations 2016 (as well as any other related legislation). Failing to do so can lead to individuals or organisations being prosecuted for unlawful waste management.
