Details of the pre-application advice received

A householder planning application is being submitted for a proposed, single storey, rear extension to No's 9 and 10 Plantation View, Summerseat.

These extensions comply with the General Permitted Development Order in that they project less than 3m from the rear of the house and the height limits for eaves and overall height, are within the Permitted Development guidance. Mark Kilby has confirmed that the proposed extensions are to the rear of the properties – the front of the houses being well defined as the Principal Elevation. Certificate of Lawfulness applications have, however, not been submitted to Bury Metro, as the occupants of No's 9 & 10 would like the extensions to be joined and constructed at the same time and therefore the extensions would (technically) not be wholly within the curtilage of each dwelling house. The two extensions could be constructed separately (and therefore be PD), however, the roof and rear wall would have to terminate on the line of the legal boundary and both applicants would like the work to be carried out at the same time and to avoid confusion the applications are to be submitted as separate householder applications.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
