### PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The application and submitted plans contain insufficient information regards highway safety, protected trees within the site, materials and foundation details to enable them to be properly assessed pursuant to Bury UDP Policies EN1/2 - Townscape and built Design and H2/3 - Extensions and Alteration, and the guidance in Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties .

### Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

### The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

EN2/3 EN2/3 - Listed Buildings  
EN1/2 EN1/2 - Townscape and Built Design

H2/3 H2/3 - Extensions and Alterations  
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.  
NPPF National Planning Policy Framework

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
