Proposal: Single storey side/rear extension

Location: 15 Starling Road, Radcliffe, Manchester, M26 4LW

Description

The property is a large detached house that sits raised from the public footpath with garden to the front and drive to the side. To the rear it is extended with a conservatory and there is a patio and lawn and there are no properties beyond the rear boundary. The neighbouring property to the side of the proposal is No.13, a bungalow which is screened by the site hedges.

The application proposes the removal of the conservatory and construction of a single storey extension. It would extend from the two storey section of the south side elevation running for 7.3m of which 2m would project beyond the rear elevation for 5.7m across. It would form an extended kitchen.

None.

Pre-start Conditions - Not relevant.

Unitary Development Plan and Policies

H2/3 Extensions and Alterations
SPD6 Supplementary Planning Document 6: Alterations & Extensions

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF) and the adopted Bury Unitary Development Plan (UDP) together with other relevant material planning considerations. The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP Policy will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;
The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;
The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual amenity and design - The proposed extension would not be visible from the main street view. It would have a monopitch roof running to the side with roof lights and a dual pitch roof forming a gable at the rear with bi fold doors. Materials would be brick and roof slates to match the existing.

The proposal is considered acceptable and in keeping with the existing property and would not have a detrimental impact on the visual amenity of the area.

Parking - The proposal would not increase the number of bedrooms therefore SPD 11 Parking Standards need not be considered. The parking arrangements would not be affected.

Residential amenity - The proposed extension would infill along from an existing elevation and with one window and a door to the side. It would be located to the north side to No.13 with a gap of approximately 4.5 -5.5m to the boundary and where planting screens the garden to No.13. There would then be no serious impact on the amenity of this adjacent neighbouring property.

The proposal complies with UDP Policy H2/3 and SPD6 - Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

DELEGATED REPORT

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered D0171/100, D0171/101, D0171/102, D0171/103, D0171/104, D0171/105, D0171/106 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
