

NOTICE OF PLANNING PERMISSION

Town and Country Planning Act 1990 Town and Country Planning (Development Management Procedure) (England) Order 2015

To:

Mr R Anwar
RA Design & Project Management Ltd
Suite 4
The White House
42-44 Chorley New Road
Bolton, Lancashire
BL1 4AP

On Behalf Of:

Mr A Sanghani
71 Halshaw Lane
Kearsley
Bolton
BL4 8DD

PART 1 - Particulars of Application

Application Number: 67315

Date of Registration: 02/11/2021

Proposal:

Variation of condition 2 following approval of planning permission 65293- Insertion of a window on the front elevation of the pair of semi detached dwellings; Single storey side extension to the detached dwelling

Location:

Land at Green Street, Tottington, BL8 1TF

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered RAD/2115/20/2/RevA, RAD/2115/20/1/RevA and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 No development shall commence unless and until:-
 - A contaminated land Preliminary Risk Assessment report to assess the actual/potential contamination and/or ground gas/landfill gas risks at the site shall be submitted to, and approved in writing by, the Local Planning Authority;
 - Where actual/potential contamination and/or ground gas/landfill gas risks have been identified, detailed site investigation and suitable risk assessment shall be submitted to, and approved in writing by the Local Planning Authority;
 - Where remediation/protection measures is/are required, a detailed Remediation

Strategy shall be submitted to, and approved in writing by, the Local Planning Authority.

Reason. The scheme does not provide full details of the actual contamination and subsequent remediation, which is required to secure the satisfactory development of the site in terms of human health, controlled waters, ground gas and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

- 4 Following the provisions of Condition 3 of this planning permission, where remediation is required, the approved Remediation Strategy must be carried out to the satisfaction of the Local Planning Authority within agreed timescales; and A Site Verification Report detailing the actions taken and conclusions at each stage of the remediation works, including substantiating evidence, shall be submitted to and approved in writing by the Local Planning Authority prior to the development being brought into use.

Reason. To secure the satisfactory development of the site in terms of human health, controlled waters and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

- 5 Details/Samples of the materials to be used in the external elevations, together with details of their manufacturer, type/colour and size, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Only the approved materials shall be used for the construction of the development.

Reason. No material samples have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to UDP Policies EN1/2- Townscape and Built Design and H2/1 - The Form of New Residential Development.

- 6 Surface water shall be drained in accordance with the hierarchy of drainage options in national planning practice guidance. In the event of surface water discharging to public sewer, the rate of discharge shall be restricted to the lowest possible rate which shall be agreed with the statutory undertaker prior to connection to the public sewer.

Reason. To promote sustainable development and reduce flood risk and pollution pursuant to Unitary Development Plan Policies EN5/1- New Development and Flood Risk , EN7/3 - Water Pollution and EN7/5 - Waste Water Management and chapter 14 - Meeting the challenge of climate change, flooding and coastal change of the NPPF.

- 7 Foul and surface water shall be drained on separate systems.

Reason. To promote sustainable development and reduce flood risk pursuant to Unitary Development Plan Policies EN5/1- New Development and Flood Risk , EN7/3 - Water Pollution and EN7/5 - Waste Water Management and chapter 14 - Meeting the challenge of climate change, flooding and coastal change of the NPPF.

- 8 A landscaping scheme shall be submitted to, and approved by the Local Planning Authority prior to the commencement of the development. The contents of the plan should include native tree and shrub planting and the provision of bat bricks/tubes within the new development and bat and bird boxes. The approved scheme shall thereafter be implemented not later than 12 months from the date the building(s) is first occupied or within the first available tree planting season,; and any trees or shrubs removed, dying or becoming severely damaged or becoming severely diseased within five years of planting shall be replaced by trees or shrubs of a similar size or species to those originally required to be planted.

Reason. To secure the satisfactory development of the site and in the interests of

visual amenity pursuant to Policies H2/2 - The Layout of New Residential Development, EN1/2 - Townscape and Built Design and EN8/2 - Woodland and Tree Planting of the Bury Unitary Development Plan and chapter 15 - Conserving and enhancing the natural environment of the NPPF.

- 9 The car parking indicated on approved plan reference RAD/2115/20/2/RevA shall be demarcated as indicated, surfaced in a material, or incorporate measures, that prevents the discharge of surface water onto the adopted highway and be made available for use prior to the development hereby approved being occupied and thereafter maintained at all times.

Reason. To ensure adequate off street car parking provision in the interests of road safety pursuant to Policies H2/2 - The Layout of New Residential Development, EN1/2 - Townscape and Built Design and HT2/4 - Car Parking and New Development of the Bury Unitary Development Plan.

- 10 No development shall commence unless and until a 'Construction Traffic Management Plan' (CTMP), has been submitted to and approved by the Local Planning Authority and shall confirm/provide the following:

- Access route for construction traffic from the highway network and restricted to a size of vehicle that can be accommodated on Green Street that serves the site;
- Hours of operation and number in relation to construction vehicle movements;
- Parking on site of operatives' and construction vehicles together with storage on site of construction materials, including any requisite phasing of the development to accommodate this.
- Measures to ensure that all mud and other loose materials are not carried on the wheels and chassis of any vehicles leaving the site and measures to minimise dust nuisance caused by the operations.

The approved plan shall be adhered to throughout the demolition/construction period and the measures shall be retained and facilities used for the intended purpose for the duration of the demolition and construction periods. The areas identified shall not be used for any other purposes other than the turning/parking of vehicles and storage of demolition/construction materials.

Reason. Information not submitted at application stage. To mitigate the impact of the construction traffic generated by the proposed development on the adjacent residential streets, and ensure adequate off street car parking provision and materials storage arrangements for the duration of the construction period and that the adopted highways are kept free of deposited material from the ground works operations, in the interests of highway safety pursuant to Bury Unitary Development Plan Policies EN1/2 - Townscape and Built Design and HT6/2 - Pedestrian/Vehicular Conflict.

- 11 Notwithstanding the details shown indicatively on approved plan reference RAD/2115/20/2/RevA, the development hereby approved shall not be commenced unless and until a dilapidation survey of the footways and carriageways abutting the site have been submitted to the Local Planning Authority and the scope of the proposed highway works required as a result of the proposed development have been agreed on site with the Highway Authority. The works subsequently approved, incorporating the reconstruction of the Green Street footway abutting the site, the demarcation of the limits of the adopted highway and all associated highway remedial works required as a result of the proposed development and statutory undertakers connections to the dwellings, shall be implemented to a specification to be agreed and to the satisfaction of the Local Planning Authority prior to occupation of the development hereby approved.

Reason. To ensure good highway design and maintain the integrity of the adopted

highway, in the interests of highway safety pursuant to the following Policies of the Bury Unitary Development Plan:
Policy EN1/2 - Townscape and Built Design
Policy H2/1 - The Form of New Residential Development
Policy H2/2 - The Layout of New Residential Development

- 12 Notwithstanding the terms of the Town and Country Planning (General Permitted Development) (England) Order 2015, as subsequently amended, no development shall be carried out within the terms of Classes A to G of Part 1 of Schedule 2 of the Order, without the submission and approval of a relevant planning application.
Reason. To ensure that future inappropriate alterations or extensions do not occur pursuant to policies of the Unitary Development Plan listed.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H1/2	H1/2 - Further Housing Development
H2/1	H2/1 - The Form of New Residential Development
H2/2	H2/2 - The Layout of New Residential Development
EN1/1	EN1/1 - Visual Amenity
EN1/2	EN1/2 - Townscape and Built Design
EN1/3	EN1/3 - Landscaping Provision
EN5/1	EN5/1 - New Development and Flood Risk
EN7	EN7 - Pollution Control
EN7/2	EN7/2 - Noise Pollution
EN7/3	EN7/3 - Water Pollution
EN7/5	EN7/5 - Waste Water Management
HT2/4	HT2/4 - Car Parking and New Development
HT6/2	HT6/2 - Pedestrian/Vehicular Conflict
SPD6	Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
SPD11	Development Control Policy Guidance Note 11 - Parking Standards in Bury
NPPF	National Planning Policy Framework

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
