

Digital Connectivity

Construction of a single dwelling in the Land to the side of **32 Manchester Road,
Ramsbottom, BL0 0DH**

on behalf of :

Mr & Mrs Wall

Feb 2025

Contents

- 1. Introduction**
- 2. Digital Connectivity**

1. Introduction

1.1 This Digital Connectivity Statement has been produced to support an application for planning permission for the construction of a single dwelling (“the Application Proposals”) for Mr & Mrs Wall (“the Applicant”) for the land next to 32 Manchester Road, Ramsbottom.

1.2 This Statement has been prepared by Zach Thorp of Thorp Design Services.

2. Digital Connectivity Statement

2.1 Policy JP-C2 states this development to have full fibre to premises connections unless infeasible or unviable, with multiple-ducting. The policy supports the provision of free, secure, high-speed public wi-fi connections, particularly in the most frequented areas.

The screenshot shows a broadband deal comparison website. At the top, a search bar displays the address "32 Manchester Road, Ramsbottom, BURY, BL0 0DH" with a green checkmark and a blue edit icon. Below the address, a section titled "Who's your current provider?" asks the user to select their current provider from a dropdown menu. To the right of the search bar is a cartoon illustration of a blue genie with a red turban and yellow gloves, holding a tablet. Below the search bar, the website shows "Showing 10 of 60 deals which match your search". On the left, there are filters for "Sort by" (Most popular) and "Filter by" (Average Speed). The "Average Speed" filter has radio buttons for 0-30 Mb, 30-60 Mb, 60-100 Mb, 100-300 Mb, 300-900 Mb, and 900+ Mb. The "Monthly Price" filter is also visible. The main content area displays two broadband deals. The first deal is from BeFibre, labeled "BeFibre Be900" and "Genie Exclusive". It features a 12-month contract, £0 set-up cost, 900Mb average speed, and a monthly cost of £27.00 with a fixed price promise. The second deal is from Sky, labeled "Sky Broadband Superfast" and "Ends in 2 days". It features a 24-month contract, £0 set-up cost, 61Mb average speed, and a monthly cost of £25.00 with a price rise during contract. Both deals have "Full details" and "Get deal" buttons.

The area currently has full fibre broadband as such the property will have a possible download speed of 900Mb.

This is perfect for all sizes of families for streaming, gaming, connecting multiple devices and supports digital phonelines. Connection to the proposed unit will be arranged following the grant of planning permission.
