- NOTES
 - 1. This drawing and the copyrights and patents herein are the designers property and may be used or reproduced only under contract.
 - 2. Contractors and subcontractors must be trained and agree all dimensions before preparing shop drawings or commencing work on site.
 - 3. Contractors are responsible for informing the Designer of any discrepancy discovered on this drawing or between this drawing and any other related drawings or specifications.
 - 4. Within dimensions items are to be used from this drawing. If any doubt exists the contractor must ask for clarification. On no account must the contractor make any alterations to the drawing.
 - 5. If no site investigation has been carried out prior to commencement of work, the contractor must make holes to suit suitability of ground for proposed foundations.
 - 6. All work must be carried out in accordance with the current Building Regulations and the Building Regulations Approved Documents. If necessary, the contractor must ask for clarification.
 - 7. All reference refer to accompanying specification.

Domestic and commercial projects are notifiable to the HSE under CDM 2015

- Projects that are notifiable are those that are scheduled to:
 - a) Last longer than 30 working days and have more than 20 workers on site at any one time in the project, or
 - b) Exceed 500 person days.
