- ☒ An existing use
- ☐ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

As the new owner I discovered during the sale that planning permission has never been granted on a small rear ground single storey extension and I need to show to any prospective purchaser that no enforcement action can be take by the LPA.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☒ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☒ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
- ☒ No

Please state why a Lawful Development Certificate should be granted

In support of the above answer, I discovered during the sale that the rear extension was not approved and I want to be able to provide peace of mind for myself as the lawful owner and to any prospective purchaser that no enforcement action will be taken by the LPA. I have provided proof of ownership via the Land Reg Certificate in my name. Google Street Views time stamped in 2012 and latterly in 2024 show the rear single storey extension as seen from Back of Scoles Street, Bury. I have provided a copy of the floorplan and dimensions for the rear extension of my house as supplied by the estate agents. I have provided a simple plan of the side elevation dimensions to assist in this assessment. The aerial view from Google maps marks / defines the boundaries for 125 Wood Street, Bury and it shows the roof of the rear extension with two velux style windows. These can be viewed on the Street view shots taken from Back of Scoles Street (rear of the property).
