Raising of roof ridge height and new rear dormer with juliet balcony

Location:

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposed development would, by reason of its size, position and design, be a prominent and intrusive feature in the street scene and would therefore, be seriously detrimental to the visual amenities of the area. The proposed development therefore conflicts with the following policies SPD6 and H2/3 of the Bury Unitary Development Plan.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
