Proposal: Single storey side extension

Location: Hillside, Greenhill Road, Bury, BL8 2LJ

Description

The property is a two semi-detached house with single storey extension on Greenhill Road. There is a high fencing with gate at the front leading to a drive straight ahead along with an outbuilding and detached garage on either side of the gate. There is also a garden to the side and rear. The adjoining property is No. 269 Ainsworth Road and No. 1 Greenhill Road is located on the opposite side. To the rear house shares boundary with No. 267 Ainsworth Road and the properties to the front are over 20m away.

The applicant proposes to build a single storey side extension. The proposed extension would accommodate a larger open-plan kitchen/living. The extension would extend 4.35 metres to the rear and run 9.26 metres. The development would have a flat roof with a roof light and would be constructed using matching materials.

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF) and the adopted Bury Unitary Development Plan (UDP) together with other relevant material planning considerations, including relevant policies in the emerging Places for Everyone Joint Development Plan.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For

simplicity, just the UDP Policy will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Visual Amenity

UDP Policy H2/3 and SPD6 seeks to achieve a high standard of design that compliments the original building, does not have a detrimental impact on the character or appearance of neighbouring properties, and protects the general street scene.

The proposed single storey rear extension would have flat roof that would be in-keeping with original dwelling and neighbouring properties. Situated to the side, the single storey extension would be visible from the street scene. However, the high fencing and gates to the front would mostly shade the proposed development. Moreover, the development would have a simple and unobtrusive design, which would not detract from the character of the dwelling. Overall, the proposal would be constructed with materials to match the existing dwelling. As such, the proposed development would not be a prominent feature in the street scene and would comply with Policies H2/3 of the Bury Unitary Development Plan and SPD6.

It is considered that the proposal would not have a detrimental impact on the character of the dwelling, street scene or neighbouring properties and would therefore comply with UDP Policy H2/3 and SPD 6.

Residential Amenity

SPD 6 and H2/3 seek to reduce the impact of proposals on the residential amenity of neighbouring properties.

- In terms of overlooking and privacy to the side, there would be a sufficient distance to the shared side boundary with No. 1 Greenhill Road. As such, the proposed side windows on this side would have no adverse impact. Furthermore, the existing high fencing around the site would further shade the development.
- In terms of overlooking and privacy to the front and rear, the single storey side extension would not project beyond the principal front and rear elevations and such, there would be no detrimental impact on the residential amenities enjoyed by these neighbours.
- As there would be no increase to the number of bedrooms at the property the existing parking arrangements would be considered acceptable.

Overall, there would be no serious impact on the amenity of any adjacent neighbouring properties. The proposal therefore conforms to UDP Policy H2/3 - Extensions and Alterations and the requirements of Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

Recommendation: Approve with Conditions

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered dwg no. 01, dwg no. 02, dwg no. 03, dwg no. 04 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 The external finishing materials for the proposal hereby approved shall match those of the existing building.
Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
